BLUE LIGHT DISCO

Constable Erin Hall

Last Friday night, the 29th of April, saw the Wagin community come together to enjoy a Blue Light Disco held at the Town Hall. The night was organised by Wagin Police, with VFRS volunteers cooking the BBQ and St John volunteers running the canteen.

The doors opened at 5.30pm, with 86 kids aged from Kindy to Year 10 registering to enjoy a night filled with music, games, glow-sticks, prizes, and a sausage sizzle for dinner.

If we were to take anything away from the night, it is that the kids of Wagin have some serious limbo skills and can certainly down their fair share of cool drink and lollies. We were also lucky enough to celebrate Deonte Williams' birthday on the

night with everyone singing him happy birthday and witnessing some impressive dance moves.

Congratulations to Phillip Garlett for winning the raffle. We hope you enjoy your prize bundle and are excited to see you down at the courts with your mates, shooting hoops with your new basketball.

A big thank you to the Shire of Wagin, FoodWorks Wagin Co-op, IGA Wagin, St John WA – Wagin Subcentre and the Volunteer Fire and Rescue Service – Wagin, Wagin Police and PCYC (Police and Community Youth Centres) for their monetary and in-kind contributions to make the night run smoothly.

We would also like to thank our MC for the night, Zac Ward, for keeping the kids entertained with his humour and dance moves throughout the night. We are still trying to decide who had more fun, Zac or the kids.

We hope all attendees had a great night and we can't wait to see you at our next Wagin Blue Light Unit event.

REKINDLING PASSION FOR WAGIN

Wendy Pederick, CommuniTEA Hub

Every once in a while, something comes along that you just don't want to miss.

Yes, life can be overwhelming and volunteering can be exhausting and things can just seem too hard for you to maintain a positive focus and upbeat attitude.

Just as quickly, in a flash, things can be turned around by a new insight that brings fresh energy, or a meaningful discussion that clarifies focus and drives enterprise.

A new insight could come your way on Wednesday the 8th of June.

Community development expert Peter Kenyon.

On that day world-renowned community enthusiast Peter Kenyon will be in Wagin. Peter has given his working career to helping small communities thrive. Not only does he understand the stresses of rural towns but he can also point them to finding solutions by focusing on their many resources and strengths, to rekindle passion for why we live where we live.

Asset Based Community Development is the title of a one-day workshop Peter will run in Wagin on the 8th of June. Knowing that relationships build community, he will facilitate the 9am to 3pm workshop with representatives from a full cross-section of groups in Wagin to stimulate thinking around the skills, interests, experience, and gifts that complement and hold us together.

Leveraging existing strengths in sporting groups, individuals, social groups, associations, and natural connections, the day is not just another talk fest. Rather it will be an interactive springboard for business growth, solidarity, mutual support, and meaningful connection to enable Wagin to become a stronger, more viable community.

Interest groups will be invited and the event will be advertised widely but all interested residents are encouraged to register. Registrations will be accepted at the Shire of Wagin office and will close on the 3rd of June. The goal is to have at least one or two representatives from each organisation, business or service provider in town.

All costs are being covered with federal funding accessed by the CommuniTEA Hub to help people thrive. Caring, healthy, inclusive, sustainable, and enterprising communities build stronger local economies and we all benefit.

Since its creation in 1989, Peter Kenyon's company Bank of I.D.E.A.S. has worked in over 2000 communities across Australia and around the world. You can research more by going to bankofideas.com.au.

This event comes highly recommended for anyone seeking a re-boot and reminder that what they do really does matter. Every opportunity to build via sport, health services, education, commerce, neighbourhood care, social currency and service organisations brings strength and increased capacity to us all.

An African proverb, "If you want to go fast, go alone; if you want to go far, go together", is the reminder to listen and share and to dig into the energy of being community together.

We are usually just a few numbers short of running several of these!
If you are keen to attend any of these courses, please contact us to register your interest.

FOOD FOR THOSE IN NEED

We are excited to announce that the Wagin Community Resource Centre is now a distribution centre for food hampers to local community members in need.

Foodbank WA is providing these essential food hampers to the Wagin community, thanks to the Arc Infrastructure support of the Wheatbelt.

The food hampers include mostly non-perishables and can feed a family of four for two days. For families or individuals who find themselves without food and unable to purchase any, these hampers can save them from the unacceptable situation of going without. The sad reality reported by Foodbank WA is that one in six adults in Australia have gone hungry in the past year.

These hampers can offer relief to people facing poverty or serious financial difficulties by allowing them to spend some of their money on things other than food, such as medicine or bills, which they might otherwise forgo.

If you find yourself in quarantine due to COVID-19 and unable to obtain food, the Wagin Community Resource Centre staff may be able to deliver a food hamper to your address.

We are able to provide food hampers at the CRC and deliver to people in quarantine during our business hours, which are Monday to Friday from 9am to 4pm.

The Combined Churches of Wagin have been providing the Wagin community with Foodbank support and their own food relief for more than a decade. This has been made possible by the generous donations from the Combined Churches and the work of many volunteers. The volunteers continue to operate the food relief service from 3pm on Mondays at the Community Centre across from the town square. Wendy McDougall tells the story of the Combined Churches food relief service in this edition of the Wagin Wool Press.

COME GET YOUR RATS

A large number of Rapid Antigen Test kits have been provided to the Wagin Community Resource Centre by the Department of Primary Industries & Regional Development for the use of our local community. RATs are used to test for COVID-19. We have the oral swab test kits which are easy to use and are known as lollipop RATs.

Our staff are able to provide a limited number for every household. Please visit the CRC to collect yours during our operating hours, which are Monday to Friday from 9am to 4pm.

The State Government's free RAT program concluded last Friday. Every household was eligible to receive a delivery of initially five and later fifteen RATs. There have been significant delays for some orders so there are households still waiting for theirs to arrive.

The Wagin CRC also has a large number of reusable, triple layer cloth masks available for free. Stop by for a handful of masks or get them bundled with your RATs. The requirement to wear a mask has been lifted for most places, but there are still settings in which they are mandatory, such as hospitals and public transport. It is also recommended to wear a mask in public when it is not possible to physically distance from others.

EASTER EGG HUNT!

On Tuesday the 19th of April the Wagin Community Resource Centre along with the Wagin Uniting Church held an Easter egg hunt at the Ram Park for local children.

The Wagin Uniting Church had organised craft activities, games, song and a story time for the children.

We started the morning off by doing the craft activity which had the children making their own adorable easter egg baskets. The children then played some games which were organised and run by the volunteers from the Wagin Uniting Church.

After the children had enjoyed having a morning tea, the volunteers ran a story time with songs for the children. We then finished off the morning with an exciting easter egg hunt.

There was so much chocolate that we spent the next week giving Easter eggs away to our patrons at the Wagin CRC!

We would like to give a massive thank you to the members of the Wagin Uniting Church. They helped organise and run an enjoyable event to celebrate the Easter holiday.

MEMBER ON THE MOVE

It is always appreciated when our political representatives visit the Wagin Community Resource Centre. On this occasion Hon. Shelley Payne MLC had stopped by to chat with the Wagin community. Shelley, the member for the Agricultural region in the Parliament for Western Australia, was on a mobile office tour throughout the region. Accompanying her was Shaneane Weldon, a candidate for the O'Connor electorate (one of the biggest in the world). It was a pleasure to meet Shaneane, who is a Wangkatja/Ngaantjarra woman raised in the North Eastern Goldfields country of her mother, father and grandparents.

We were glad to see community taking advantage of the 'mobile office' format which allows for our representatives to have brief, informal chats with members of the community 'on the ground' so they can hear what is on their minds. Shelley and Shaneane's mobile office will have visited plenty of CRCs from Wagin to Hopetoun throughout the week. This is one way our network of Centres can be utilised as a contact point with rural communities.

Hon Shelley Payne MLC, Zachary Rayne, Jennifer Cresswell and Shaneane Weldon.

CHAINSaws & SKIPPERS' TICKETS

We have been receiving a good amount of interest in the Chainsaw Skill Set course. Once enough people have registered their interest we can book in a date, so if you are considering attending please let us know. If we have your details on record, then once we have a date we will contact you immediately to give you the opportunity to sign up for the course before spaces fill up.

We are fortunate to have a Skipper's Ticket instructor who is passionate about delivering the course on Narring Lake outside Wagin. The Wagin CRC has facilitated this course successfully for many years. Let us know if you are keen to get your ticket this month.

EASTER SUNDAY SUNRISE SERVICE

Wendy McDougall

What a wonderful *cold* morning when those who could make it came together at Noring Lake for a sunrise service this year celebrating Jesus' resurrection. Some came well prepared for the cold, others helped themselves to the extra blankets and a family joined us from among the visitors camping at the lake for the weekend.

The Combined Churches did a great job with music. A speaker challenged us to change the "me" to "we" (turned us, or the words, right way up!) and to come out from hiding and let our friends help us. All of this was finished off with hot drinks and hot cross buns. Thank you to all who brought chairs, for the music, to all the organisers and to everyone who came for our lovely morning sunrise.

ANZACS, ICE CREAMS & DISHES

Wendy Pederick, CommuniTEA Hub

Who would have arranged a fish and chip take-away lunch in the park in Albany in April and neglected to factor in the vagaries of Albany's weather? Well, I did!

A bus load of "Spokes" for the CommuniTEA Hub enjoyed a trip to Albany earlier last month. The National Anzac Centre and Darrel Radcliffe's chainsaw sculptures were amazing. All in beautiful weather. The only time it rained was during our Middleton beach picnic!

Ah, well, I was with a happy lot, and they saw the funny side of it... sheltering in the most unlikely places.... that's another story, best left unsaid.

Weeks earlier we had enjoyed a trip to Nyabing for a classic car show with a stop-off at Katanning's excellent ice creamery on the way home.

Another recent highlight has been the chamber music from Dolce Ensemble. One lady saying, "We got home knowing we'd had one of those 'feel good' days."

Other Thursdays are just the usual coffee, cake and conversation in Wesley Hall, where skilled and practiced masters wash dishes.

On Tuesday 17 May, a workshop on Celebration of Life – covering topics of life expectations and parting well. Speakers include Margie Ward and Stephen van Schalkwyk and it's open to everyone.

An Orchid expert from Bunbury is coming on Thursday 26 May to share his knowledge and give demonstrations of best practice for orchid growing.

MEMORIAL TREES AT ST PAUL'S ARTHUR RIVER

Lyn Hatherly

Katie Manuel and Ms Narelle Gibbs.

During the school holidays the families of Arthur River planted a Western Australian native shrub or tree to beautify its church area and cemetery grounds and replace the iconic pine trees which had reached the end of their lives. Families planted a tree in memory of a loved family member. Local pioneer farmers were remembered with a memorial tree.

Three generations of Mrs Pippa Francisco's family – herself, her mother Mrs Helen Bennett and her daughters Mia and Gigi Francisco – planted a tree to honour Cissie Francisco who died of TB in 1902 aged 15 years.

William John Gibbs, who was born in England in 1807 and died in 1895, was as a land guide to young men looking to become farmers in the 1880s. Three generations of William's family planted a tree, including Ms Narelle Gibbs and Katie Manuel.

A tree was planted for Mrs Nola Cameron and Mr & Mrs Charles Edkins. Katelin Robinson and baby and the Robinson children planted several trees. Several trees have been planted by Mrs Isobel Lutz, the Bilney family, the Zadow family and the Pascoe family. Mr and Mrs Neil Smith gave two silver princess trees.

An Anzac farmer, Mr Jim Hatherly, planted the pine tree on the east side of Albany Highway many years ago. We are now waiting for the seasonal rain after planting our Western Australian native tree.

Robyn Atherton planted a tree to honour her mother, Thelma Atherton nee Hamersley. The historically oldest person to receive a tree is Catherine Wilhelmina. The wife of Malcolm Hamersley, she was the first person to be buried at the cemetery. Sadly, she died at the age of 32 in 1884. Catherine was buried while the St Paul's church was still being built. Also interred in the same crypt were her mother Jane Spratt in 1885 and her husband Malcolm in 1893. Yvonne Hamersley provided a tree in their honour for 2021's ceremony.

A beautiful tree was planted for the Brown family, who formerly had many members in the area, and was for the memory of Miss Betty Brown who died in 2015.

Trees were planted for Mr & Mrs Bunce and family, Mr Don Mercer, Mr & Mrs Clyde McDougall, baby Wheeler and baby Hatherly. The Fleay family are to plant theirs soon. Mrs Betty Markham has been involved in the project but was unable to attend.

Robyn Atherton and Yvonne Hamersley plant a pincushion hakea.

Philip Fraser, Wendy Vanzetti, Trish Pottinger, Maree O'Connell, Helen McDougall and her granddaughter Evie helped with the planting of trees and enjoyed a cup of tea and Anzac biscuits on the day.

Some of these trees are dedicated to names whose owners may have been long forgotten, and whose stories appear lost to time. They are still acknowledged as fellow man worthy of dignity and respect alongside cherished family members.

We will plant or dedicate a tree to the 6-year-old Jesse Stirling who died in 1912, the 10-year-old Mary Fallon who died in 1889, Alice Perry who died in 1911, Mrs Good, Jennifer Bird, Hugh Carmichael Smith who died in 1996, Les Brown, the Orr family who died 1906 and Thomas and Charlotte Wilson who died in 1864. We are hoping for more trees to be planted soon.

A tree will be dedicated to Henry Moore, who died in Arthur River in 1885 while travelling in the mail coach which was going from Albany to Perth. No one knows where he came from so his origins remain a local mystery.

MISSION AUSTRALIA'S YOUTH SURVEY 2022 NOW OPEN

Holyoake

Young people aged between 15 to 19 years are invited to complete Mission Australia's Youth Survey 2022.

Last year, Mission Australia's Youth Survey 2021 was completed by more than 20,207 young people between April and August. COVID-19 (45.7%), the environment (38.0%) and equity and discrimination (35.4%) topped the key issues in 2021 that young people feel Australia must address.

Responses this year will provide crucial insight into young people's experiences, barriers and concerns including work, study and mental health.

The survey takes 20 minutes to complete. Young people can record their responses online, either through arrangements with participating schools or groups or individually through Mission Australia's website.

Mission Australia's Youth Survey 2022 is open until the 12th of August to all young people aged 15 to 19 years old who are living in Australia.

To take part in the survey visit missionaustralia.com.au/youthsurvey or use this QR code by clicking on it or scanning it with your smartphone camera.

COVID-19 Vaccination

Protect your child

Professor Chris Blyth, Director of the Wesfarmers Centre for Vaccines and Infectious Diseases at Telethon Kids Institute, answers your COVID-19 questions.

Are the COVID-19 vaccines safe for my child?

"The COVID-19 vaccines are safe and effective for children. They've been demonstrated in clinical trials, and actually in real world experience now, that they are important tools to try and prevent against COVID-19 in children.

These vaccines are incredibly well tolerated, in fact, young children tolerate them even better than adolescents and adults and that's why we recommend COVID-19 vaccination for children 5 to 11 in Western Australia and Australia at the moment."

What if my child is too young to get vaccinated against COVID-19?

"...for parents of younger children, it's going back to the simple things to try and provide protection. Good hand hygiene, mask use in public spaces, particularly for adults, and importantly, reminding your children to cover coughs and colds and stay home if they're unwell.

Many younger children will get COVID from older children and adults, so importantly, to protect your young child, making sure older children and adults are vaccinated and are complying with masks and other interventions such as that, will offer some degree of protection."

What should I do if my child gets COVID, and what if it's before their second dose?

"With lots of COVID in the community there's a real chance your child will be exposed to COVID over the next couple of months.

Children will get infected with COVID, but for most children, thankfully that's a mild illness. But, for a small group of children it can be severe and that is why we are recommending vaccination to try and protect against those harms.

If you are one of these unlucky families whose child gets COVID prior to their second dose of vaccine, don't worry. Importantly, we would still recommend they receive their second dose of vaccine and would recommend they wait about eight weeks after their infection, before their second dose. This will enhance their immune protection against further infection."

ASSET BASED COMMUNITY DEVELOPMENT (ABCD) SEMINAR (RESCHEDULED)

Wednesday the 8th of June 2022, 9am to 3pm, Wagin Recreation Centre

Want to see Wagin thrive? Are you hungry to see things happen? Want to look through a lens of sustainability? There is strength in listening and sharing and our human resources are the key to unlocking the energy and vibrancy in belonging to community. Why not get together with other likeminded people at a really useful workshop?

ABCD is committed to strengths-focused, place-based and community-driven development. Through ABCD people have discovered the power of focusing on their assets, capacities and opportunities, as opposed to their needs, deficiencies and limitations. ABCD is about local communities connecting and flourishing. Presenter Peter Kenyon, based in Perth, is a community enthusiast with 33 plus years' experience in 53 countries. Register now at the Shire of Wagin.

ROADS UPDATE

We have sealed Puntapin/Bullock Hills Road intersection and Moore Street. Gravel sheeting works have commenced on Jaloran Road, starting at the end of the bitumen seal for 4km north.

CELEBRATION OF LIFE

A seminar exploring the relationship aspects of a life well lived and ready for celebrating

Topics: Stages of life; Mental, physical, and emotional well-being; Spirituality and hope; Celebrating well

Tuesday
17th May 2022
9.30am to 1.30pm
Wesley Hall
Ranford Street
Wagin
Cost: No Charge
Light lunch included
Registration required

AGING WELL

As a taster, this seminar explores topics of meaning and connection, aware of the pain and triumphs we all experience, and how these impact our sense of fulfilment and well-being.

It can be that the grief of someone's life fading away is mingled with uncertainty about how to do justice to it, how to celebrate it well.

It's not just knowing what the person's wishes are, it's being able to capture the essence of the person, acknowledging the truth that we are all a mix of the lovely and the unrefined.

As part of a focus on Aging Well, the CommuniTEA Hub is hosting a half day seminar, set aside to explore the topic of celebrating well. Speakers including Margie Ward, Stephen van Schalkwyk and two representatives from Amity Health will address topics of life stages and expectations, well-being in all its aspects, and ask "does spirituality provide any hope?"

As the costs have been covered with federal funding, there are no fees. However, that does not equate to 'no value'. On the contrary, research shows that families well prepared for the passing of a loved one 'do it better'. Some things are logical; some things take more thinking through to get right. Each session includes a question time.

Getting in touch with feelings and being well prepared (years in advance is not too early!) gives everyone involved the opportunity to look back with satisfaction, gratitude, honesty and love.

There is emotional preparation and the other side, practical preparation. Having all the necessary documents in place takes pressure off decisions so that they don't have to be made when there are other tensions. One of the most loving things we can do for those who follow us is to be ready for the inevitable.

All gathered in one place at one time, the speakers will, with sensitivity, handle these delicate issues.

For catering purposes, it is necessary to register by phoning Wendy Pederick on 0429 171 676.

WAGIN'S FOOD RELIEF SERVICE

Wendy McDougall

The local churches of Wagin had provided food through the individual churches for many years to community people in need. In 2009 with the support of Wagin's school chaplain Evon Hinton it was decided to combine our efforts and provide a weekly service of food relief every Monday afternoon using a trailer. We sourced unperishable food from Foodbank in Perth, filled our trailer and Evon would park in Wagin from 3pm to 3:30pm every Monday.

After a few years and with the number of people using the service growing into the 30s, it was decided to rent a room at the Community Centre and continue to provide some food for people in need and/or on a Health Care Card every Monday (except holidays) from 3 to 3:30pm.

We have some clients who come every week, some once every couple of months and occasionally some come once a year, depending on their circumstances. We even had one gentleman who would take food to a friend who was too shy to come for himself.

The local churches of Anglican, Catholic, Baptist, Uniting and Vineyard generously provide the finances necessary to purchase the discounted food and pay the rent for the room at the Community Centre. Volunteers from different churches in Wagin and friends offered their time to open up, greet our clients and pack up afterwards, as well as some making the trip to Perth to pick up supplies and fill their cars to overflowing point from Foodbank.

Graham and Ann-Britt Wasley have been the main couriers of food between Perth and Wagin over the years, with other willing helpers, which has been very appreciated.

Christmas of course is always the special time of the year, getting Christmas hampers with lots of extra goodies from Foodbank generously financially supported by Wagin Care and Share. The car was well and truly full of hampers, some with seat belts especially in the front seat to keep them in place for the trip back to Wagin.

We still continue to provide a weekly service every Monday from 3 to 3:30pm at the Wagin Community Centre. You are welcome to come to the front door of the building and we will welcome you in.

SUICIDE PREVENTION PROJECT IN THE WHEATBELT

Holyoake – Wheatbelt Community Alcohol and Drug Service

We are pleased to inform you that Holyoake's Wheatbelt Community Alcohol and Drug Service (WCADS) is introducing an integrated, place-based Suicide Prevention Project throughout the Wheatbelt during 2022. This has been made possible thanks to funding from the WA Primary Health Alliance (WAPHA).

"Empowering individuals and communities is at the heart of this activity. The establishment of community-led initiatives will encourage tailored, sustainable solutions to meet the diverse needs of our Wheatbelt communities", said Melissa Spark, WAPHA Regional Manager, Wheatbelt.

We developed this project based on the Alliance Against Depression model and the 'Lifespan' framework for suicide prevention. Our aim is to increase knowledge about mental health and suicide prevention, promote help seeking behaviours, and improve access to primary care and supports.

"Holyoake welcomes this new initiative from WAPHA to build community capacity to support our vulnerable cohorts across the Wheatbelt region", said Lorraine Keane, CEO of Holyoake.

This project will cover approximately 188,000 square kilometres, including 43 local government

authorities. It will ensure that individuals and communities have access to information and empower them to access the support they need in a timely manner. We will focus on activities aligned across four key pillars of service delivery:

1. Primary Care Suicide prevention training will be provided to GPs, practice nurses, practice managers and pharmacies to encourage help-seeking behaviour in the community.

2. Education & Training Free mental health literacy and suicide prevention training will be provided to professionals, paraprofessionals, and community members to increase confidence in being able to identify risk and how to access or refer into support.

3. Grant/Funding Round will be offered to LGAs, organisations, community wellbeing plan committees, incorporated bodies, and service groups to undertake place-based grass roots suicide prevention activities and training that align to the Alliance Against Depression Pillars. View the AAD brochure by clicking the QR code or scanning it with your smartphone camera.

4. Community Champions will be identified with representation from the most vulnerable sub populations. They will have access to free training and resources to build capacity and embed suicide prevention activities at a community level.

This project will be managed by Jo Drayton, Holyoake's Wheatbelt Suicide Prevention Coordinator. She believes it will assist and empower individuals and communities to deliver solution-focussed activities to reduce risk and improve safety. It will also help equip the workforce to support individuals in distress or those living with suicidal ideations.

This project will be governed by a Wheatbelt Reference Committee with representation from Holyoake WCADS, WAPHA, and the WA Country Health Service (WACHS).

MARRY ME will be showing over the Mother's Day weekend. Jennifer Lopez and Owen Wilson lead in this film based on the 2012 graphic novel by Bobby Crosby. During a live concert a pop star (Lopez) surprises everyone when, betrayed by her fiancé (singer Maluma), she decides to marry a math teacher (Wilson) in the audience who just happens to be holding a 'Marry Me' sign. With original songs by Lopez and Maluma, *Marry Me* brings back the light-hearted fun of romcoms just in time for Mother's Day.

VOLUNTEERS WANTED

Come and volunteer with us! We are *always* chasing fresh faces for volunteers, because there is always something to do!

As we are completely volunteer run, there is a wide range of jobs to do. You can help out at the movies by selling popcorn and snacks, selling tickets or running the projector (for those a bit tech savvy). Out of show hours the garden needs tending to, bins need to be put out, there's the handyman work of changing light globes etc. You could even get involved on our 'busy bee days' where we give the theatre a complete clean up or attempt some of the bigger renovation works.

There is a job for everyone, and you will be welcomed with open arms by our current amazing group of volunteers.

Message the Facebook page or email us at btctwagin@gmail.com if you'd love to get involved, or track down Nicole Kirk, Diane Dohle or Kayla Lloyd.

WHEATBELT IS SET TO GET A REGIONAL UNIVERSITY

Regional Development Australia

Front left to right: Hon. Mia Davies MLA BMM, WA Leader of the Opposition, Senator the Hon. Bridget McKenzie Minister for Regionalisation, Regional Communications and Regional Education, Tuck Waldron Chairman RDAW, Mandy Walker Director Regional Development RDAW.

Back left to right: Mr Shane Love MLA, Hon. Martin Aldridge MLC, Chris Evans RDAW, Pippa Harris RDAW.

RDA Wheatbelt is very excited to announce that our application to the 2022 Regional University Centres (RUC) funding round has been successful. Senator the Hon. Bridget McKenzie, Minister for Regionalisation, Regional Communications and Regional Education made the announcement in Gingin.

The submission was made in response to an identified need for access to higher education facilities within the region. After many months of research, engagement with stakeholders and the Regional Universities in Geraldton and Albany, a hub model has been developed utilising current infrastructure. Initial hubs are being planned for Narrogin, Merredin, Wongan Hills and York. It is anticipated that some of these facilities will become operational in Semester 2 of 2022.

The regional university centre will provide access to internet, computers, printers, video conferencing and more importantly, a student support person who will assist students with navigating university life, all at no cost to the student. Any student, regardless of what university they study with, will be able to access these facilities and support.

Discussions with Curtin, Murdoch and Uni SA have identified courses ready to deliver which have a market in the Wheatbelt in terms of current and future career pathways. These include nursing, education, art/cultural industries, agriculture, ag tech, mining and renewable energy. Discussion with stakeholders have also commenced to enable student placements within hospitals and industry sectors. Additional courses and universities will continually be added to this list.

The RDA Wheatbelt Director Regional Development Mandy Walker believes this funding is an important step in showcasing the Wheatbelt as a modern, smart region where you can pursue a workforce ready career pathway. "The Wheatbelt is home to some of the most innovative businesses, farming systems, industry, and service sectors in the State who are willing to partner with us. Our model for a regional university enables those people already in the workforce to access additional study options and for our school students both regional and returning from boarding school, an opportunity to connect with a future-focused career path."

Chairman Terry Waldron said, "I am so happy and excited for our regional communities who will benefit by having a means to attract and retain residents within their towns. We know that around 60% of people who study in the regions stay in the regions to work. This will be a great outcome for our hospitals and schools, as well as our key industry sectors of agriculture and mining. I would like to sincerely thank the industry and local government partners who came on board early on to support this application and contribute to our success in securing funds."

Employment opportunities will be generated with a full time Director and four part-time Learning Support Officers (one in each of the four locations). When ready, these positions will be advertised on our website rdawheatbelt.com.au via a media release and through other advertising.

To be kept up to date with the RUC developments, please forward your details to Pippa Harris at admin@rdawheatbelt.com.au.

POT ART WORKSHOP

Linda Wirth

On Tuesday the 26th of April the Pot Art Workshop was held in the Freemason's Hall. Six lovely ladies attended, including a visitor from Ireland who is holidaying with her family. As usual the painting of the pots resulted in a variety of themes. Plenty of laughs and camaraderie happened too.

The next Pot Art Workshop will be on Monday the 9th of May from 10am to 12pm noon. The cost is \$15, which includes all equipment and a cuppa or two.

No painting experience is required. See you at the Freemason's Hall behind Beaufort.

WA SENIORS STRATEGY CONSULTATION

Linkwest

Seniors as a group are one of the biggest contributors to and users of Neighbourhood and Community Resource Centres across WA. The WA Seniors Strategy Consultation is therefore a priority to our Network. We are promoting and participating in the consultation to help shape the WA Seniors Strategy to support Western Australians of all backgrounds throughout the state to live their best life as they age.

IPS Management Consultants are performing the research and consultations with Western Australians. They would like to hear from Aboriginal and Torres Strait Islander people aged 45 years and over, and non-Aboriginal and Torres Strait Island people aged 55 years and over.

There are many ways seniors or those of us approaching our senior years can participate in this consultation for a new WA Seniors Strategy. Though the face-to-face focus groups are not taking place in or near the Wagin area, the following methods are readily available:

- You are invited to complete a short online survey that takes approximately 10 minutes. This survey for the WA Seniors Strategy is hosted by Department of Communities WA. Visit bit.ly/seniorsstrategysurvey to complete the survey. The staff at Wagin Community Resource Centre will happily help you access this.
- The survey is available as a postcard and there are plenty of copies available at Wagin Community Resource Centre. You can get a postcard during their opening hours which are Monday to Friday, from 9am to 4pm. The postcard is reply paid so after you complete it you can post it for free at the Wagin Post Office.
- The IPS Research Team are providing the opportunity for one-on-one phone interviews to people who are unable to attend a consultation session. To book an interview, which lasts approximately 15 minutes, contact consultants Jaxom on 0437 529 059 or Emma on 0431 239 075.

WAGIN DISTRICT HIGH SCHOOL

Providing an empowering environment for life-long learning

Dear parents, carers and community

It was wonderful to welcome the students back to school last week for the start of Term 2. I do hope you all enjoyed a lovely break with your family.

This term we are delighted that with the easing of COVID-19 restrictions, school operations are beginning to return to normal. Our first assembly for the year will be hosted by our Student Council on Friday the 27th of May, with some of Miss Mazz's music students providing the entertainment. The school calendar on our website has been updated.

Next week between the 10th and 20th of May some classes will be completing NAPLAN. NAPLAN is an annual assessment for all students in Years 3, 5, 7 and 9. It tests the types of skills that are essential for every child to progress through school and life. The tests cover skills in reading, writing, spelling, grammar and punctuation, and numeracy. NAPLAN is just one aspect of a school's assessment and reporting process and we ask that parents assure their children that trying their best is all that is required. NAPLAN is not a test that can be studied for and students are not expected to do so. A good night's sleep and healthy breakfast each day is the best preparation for the testing week.

Our application for Sporting Schools funding was successful and this term we are excited that some of our classes will be participating in Golf Lessons with local coach, Megan Henry. We will also be hosting qualified and accredited coaches from Golf WA on Wednesday the 11th of May. They will deliver their 'Crunch and Sip Regional Roadshow'. We hope to have some golf enthusiasts in the school after their five coaching sessions! Hockey clinics will also be happening on Friday the 6th and 13th of May with Rodney Johnson.

On ANZAC day I was proud to see our school represented by Student Councillors at the Wagin ANZAC service. Talegan and Josh laid a wreath on behalf of the school, while Sara and Mitchell delivered well-rehearsed readings. During the week all students learnt about the significance of ANZAC Day and a small service was conducted at school.

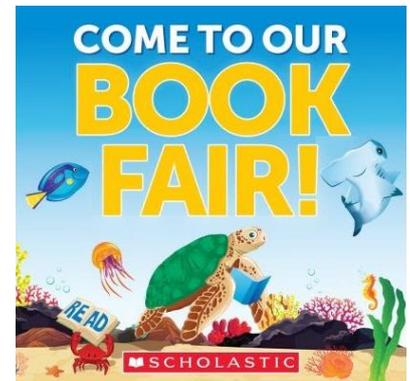

Over the last month, I know many families have been impacted by COVID-19 and anticipate that we will still have students away from school who test positive. We ask that you continue to inform the school if your child has Covid and reiterate that any child who is unwell should not attend school. We are pleased that there will no longer be need for students who are well to isolate and miss school and hope to see all students return to regular attendance.

I am looking forward to a wonderful term, and reconnecting with parents and carers at events over the coming months.

BOOK FAIR

Book Fair is back so prepare to get “hooked on reading” with a variety of new titles to choose from. The Fair will be open in the library on Tuesday the 17th to Thursday the 19th of May and Tuesday the 24th to Thursday the 26th of May at recess, lunch and after school until 3.30pm. Come and see what’s on offer and “dive into a good book!”

IMMUNISATIONS FOR YEARS 7 & 10

WA Country Health Service is offering the School Based Immunisation Program to us on Wednesday the 25th of May. For Year 7 there are Diphtheria-tetanus-pertussis and Human papillomavirus vaccines and for Year 10 the Meningococcal vaccine. For more information, please click on the QR code or scan it with your smartphone camera. Please return the permission forms ASAP.

BIRTHDAY CAKES/TREATS

Birthdays are special and many children love sharing their special day with their classmates. However, students are unable to bring class cakes or birthday treats to school for health and safety reasons. Teachers will ensure your child's birthday does not go unnoticed!

CHANCE TO DANCE

Last year WA Ballet hosted ballet lessons for 25 of our students together with other students from regional areas. They did a fantastic job creating a group dance that merged ballet moves. Check out the video that was created by WA Ballet by using the QR code.

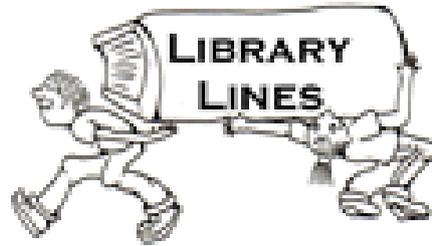

Kind regards

Amber Ward

Hi to all our Wagin Library & Gallery patrons and friends.

We are going to be doing a mystery box service. You just need to let the library know your preferred genre of reading matter i.e., Thriller, Murder, Mystery, Romance, maybe a combo of Fiction & Non-Fiction, Children's (we will need their age if children's books are required). The return date is four weeks from the time the items are issued. If you are unwell or you have had an operation, *please organise someone else to pick up your items for you. Please request a time for the items to be picked up during our opening hours.* In these mystery packages you are only allowed 6 items.

Mother's Day is on Sunday the 8th of May. Here are some beautiful quotes for all the beautiful mums:

- "To the world you are a mother. To our family you are the world."
- "The influence of a mother in the lives of her children is beyond calculation."
- "MOM – Made of Magic"
- "Mother is the heartbeat in the home."

Happy Mother's Day to all the mums. We hope you all have a lovely day.

Thank you for all the donations we have received in the last few weeks.

What can I use to know where I'm at when I'm reading a great book? We have loads of bookmarks we are giving away at the library. We even have bookmarks that you can colour in.

Different types of reading challenges for children:

- A book with an animal as the main character
- A book you read with your friend
- A book that has a little bit of mystery
- A book recommended by a teacher
- A book you chose because of the cover
- A book set in a country you would like to visit
- A book by an author who shares your first or last name e.g., Sarah or Smith
- A book you read in school
- A book recommended by your friend
- A book set on a different planet
- A book from the year you were born
- A book about your favourite item e.g., trucks, flowers, cars, painting
- A funny book
- A book with a number in the title
- Only read books that have blue covers for two weeks

EVENTS

Book Club is on Saturday the 14th of May at the Wagin Library & Gallery from 2pm to 4pm. New members are always welcome. Did you read a mystery, a book about art, a kitchen manual about how your oven works?

Story Time is on every Wednesday from 10am to 11am then again on Fridays from 1.30pm to 2.30pm. Story Time is also on during the school holidays, on Wednesdays and Fridays. Each week we read a story and then we sing along to some nursery rhymes. You no longer need to book a place.

Friends of Wagin Library & Gallery has a meeting on once a month. Come along to a meeting to see how the Friends of Wagin Library & Gallery help the library. Meetings are held the last Thursday of the month. Our next meeting will be on Thursday the 26th of May at 4.30pm in the library.

BOOK RECOMMENDATIONS

Peter Fitzsimons is an Australian author, journalist, radio and television presenter. Peter's passion is to tell Australian stories, our own stories of great men and women. Peter is the author of over twenty-seven books including *The Ballad of Les Darcy*, *Eureka*, *Kokoda* and *Burke & Wills*.

***The Ballad of Les Darcy* by Peter Fitzsimons.** This is an adult nonfiction book. Les Darcy was no ordinary lad. He grew up in Australia in the 1900s. Determined to provide for his family he discovers he can earn money from boxing. You wonder how successful Les Darcy would have been if he hadn't been sent away to war. Les was the bread winner. How did his family survive?

***Eureka – The Unfinished Revolution* by Peter Fitzsimons.** This is an adult nonfiction book. In 1854 Victorian miners fought a deadly battle under the flag of the Southern Cross at the Eureka Stockade. The battle was caused by a disagreement over what gold miners felt were unfair laws and policing of their work by the government.

***Kokoda* by Peter Fitzsimons.** This is an adult nonfiction book. Kokoda was a defining battle for Australia. At Kokoda a small force of young men fought back against the Japanese. A fascinating insight into the mind and spirit of diggers who faced the horrors and challenges of World War 2 in Papua New Guinea.

***Burke & Wills: The Triumph and Tragedy of Australia's Most Famous Explorers* by Peter Fitzsimons.** This is an adult nonfiction book. A quote from inside the book: "Melbourne, 20th August 1860. In an ambitious quest to be the first Europeans to cross the harsh Australian continent. Robert O'Hara Burke, a brave man totally lacking in bush skills necessary for his task. Surveyor and meteorologist, William Wills. If Burke and Wills succeed, they would become the first European settlers to do so. These explorers battle starvation, extreme heat, mutiny and disputes."

Tina and Calista would like to thank the Shire of Wagin for purchasing some books for the children. The Shire purchased Better Reading's "Australia's Top 50 Kids' Books" as voted by Australians. Here are some of the books:

***Hairy Maclary from Donaldson's Dairy* by Lynley Dodd.** This is a board picture book. Discover the loveable rogue, Hairy Maclary and his four-footed friends. Hairy Maclary goes off for a walk into town, followed by a few friends. All is uneventful until they meet Scarface Claw, the toughest tomcat in town. The book is full of rhyme, repetition and rhythm.

***The Gruffalo* by Julia Donaldson.** This is board picture book. A rhyming story of a mouse and a monster. Little mouse goes for a walk in the dangerous forest. To scare off his enemies he invents a tale of a scary monster called the Gruffalo. Bravery can be helpful in overcoming pretty challenging obstacles. The story is a rhyming story which has found its way into the hearts of parents and children.

***Room on the Broom* by Julia Donaldson.** This is a board picture book. This is an enchanting story of a good-natured witch and her cat who meet friends along the way. How much room is on the broom for so many friends?

***Each Peach Pear Plum* by Janet & Allan Ahlberg.** This is a board picture book. In this book with your little eye, take a look and play 'I Spy'. How many characters can you find?

***Percy Jackson and the Lightning Thief* by Rick Riordan.** This is a junior fiction book. Percy Jackson found out he is the son of a god and has his own superpowers. Percy Jackson goes to camp Half Blood, a summer camp for demigods, where he learns that the father he never knew is Poseidon, God of the Sea. Will Percy learn to control his powers? Will Percy use his powers for a good cause?

***The 13-Storey Treehouse* by Andy Griffiths.** This is a junior fiction book. Andy and Terry live in an amazing 13-storey treehouse. It has some glorious features. It has a games room, a bowling alley, a see-through pool, self-making beds and many more great features. Who wouldn't want self-making beds? I wonder what other adventures Andy and Terry will get up to in their 13-storey treehouse?

***Matilda* by Roald Dahl.** This is a junior fiction book. Matilda is a little girl who loves reading. She has superpower eyes that she can use for lifting and breaking things. She has even used them to protect the other children from Miss Trunchbull. Will Miss Trunchbull ever be nice to the students?

Fiona Dawson, Vice President

Wagin Woolorama has a different meaning for many depending on your age, your work, your gender, your address, and the list goes on. Whether it be the excitement of watching the sideshow come together, the hours dedicated to preparing livestock and craft for judging, the chance to catch up at the Fashion Parade with a friend and have a glass of wine at the Wine Baaa after, the opportunity to make a much needed purchase at your annual shopping trip through the Trade Fair, or just knowing you will see your old mates to talk about the season, the bush fires and how you're all going to get through the next twelve months in these very uncertain times. But most of all Woolorama is about community, your community and what it means to you.

It has been quoted that, "Woolorama has become the event of the year in the State's south and the Wagin community should feel justifiably proud of their commitment for the past half century". To maintain a standard that has increased in every way, to hold that position as WA's largest Agricultural Show and, as a leader in the agricultural show movement, provide leadership and confidence to the Ag Societies for fifty solid years, takes an extraordinary organisation that is supported by a very dedicated band of volunteers from a very proud community.

The history of this event has been beautifully captured in what would have been our Show Program published by the Farm Weekly. For anyone who would like to have a copy for keepsake, they are available free of charge from the Woolorama Office and any of the local stores that have them on the counter. Please take them and share them with your friends and family far and wide. It makes for great reading.

For the next twelve months we will endeavour to keep you up to date with what is happening with your Woolorama. Even though we had the event cancelled due to a State Government announcement of Level 2 COVID-19 restrictions, the work goes on and our level of commitment to bringing the best 50th Year Celebrations to town that we can is as strong as ever.

A Timeline that Lead to the Cancellation of the 50th Wagin Woolorama and its Immediate Impact on the Community of Wagin

In the 6 months leading up to the show the Wagin Ag Society successfully adapted to an ever-changing environment to run events in WA including:

- WA's Safe Transition Plan announcement on the 5th of November 2021 introducing Proof of Vaccination requirements for events over 1000 people and revised COVID Event Safety Plans

- Announcement on the 12th of December 2021 of WA Border opening date scheduled for the 5th of February 2022
- 20th of January 2022 – the State Government announced the delay of the border opening
- 18th of February 2022 – the State Government announced its revised border opening date of the 3rd of March and Level 1 Health and Social Measures
- 21st of February 2022 – Level 1 Health and Social Measures came into effect with compulsory mask wearing indoors and reintroduction of the 2sqm rule

On Monday the 28th of February the State Government announced the introduction of Level 2 Health and Social Measures from Thursday the 3rd of March limiting events to a maximum of 500 people. An emergency Executive Meeting was called for 4pm to discuss the viability of the Wagin Woolorama proceeding on the 11th and 12th of March 2022.

Prior to this meeting action was taken by Staff and Executives including:

- Contact with the Event Health Management who advised to contact the Public Events Team at the Department of Health for direct advice while EHM assess the latest developments
- The Department of Health were unable to relay any further information other than what was on Mark McGowan's Facebook page
- Peter Rundle agreed to provide advocacy and assistance whenever and wherever he could
- Jack Martin from RASWA also provided advocacy and assistance where required

In broad terms what we needed was a very fast reassessment of our event to be independently assessed and moved to a 50% capacity venue. With our commitment and responsibility to all of the stakeholders including sponsors, exhibitors, visitors, volunteers, staff and patrons, we desperately wanted to continue to run a COVID Safe and approved event, as we had been recognised. However, on Tuesday the 1st of March at 1pm it was determined that the 50th Wagin Woolorama was unable to run. This heartbreaking outcome has had far-reaching implications for our community and industry. A Press Release announcing the cancellation was issued and distributed and is still available on our website and in the many publications including the Wagin Wool Press.

As we count the costs to our local businesses, community groups and the region's agricultural industry that rely on this annual event and the economic boost it brings with it our heads and hearts are still reeling. But we are pulling up our socks and getting on with the job of the 2023 Wagin Woolorama and we look at this as a positive exercise to reach out to our community and share the story so that you can also have a more in-depth understanding of what the Wagin Woolorama does and is.

Financially we have taken a massive hit. Our final figures are not yet available with the major job of refunding that has been taking place and of course we are also an organisation with paid staff and other financial responsibilities. One of those has been the payment to those local community groups who donate so much of their time and expertise to the show and under normal circumstances this would be to the tune of about \$40,000 that is shared out. This year that is not possible and we commiserate with those groups who rely on the generous donations in exchange for their time.

We will continue to make grant applications where we can to try to boost the finances. Of course, there is our wonderful merchandise celebrating our fifty years of Woolorama that is still available for purchase. The items make wonderful gifts and keepsakes and the funds go back into the Show and the community. This can be done through our webpage or by contacting the Woolorama Office via phone or email.

We hope you have enjoyed an insight into the Show that is yours and look forward to sharing more with you over the next ten months leading into the 2023 Wagin Woolorama.

HAPPY MAAATHER'S DAY!

2022

The stark difference between Woolorama Saturday on the 6th of March 2021 and the 12th of March 2022 is captured in these photos by Carmen Keed. The photo on the left is flipped so that you can see the exact same location – crowded with guests, then during this year's cancelled event.

ANZAC COMMEMORATIONS

There were two special ceremonies in the West Arthur shire on ANZAC day; a dawn service at Lake Towerrinning and a mid-morning service at the War Memorial in Darkan. Thanks to everyone who made the effort to attend a service and make sure we don't forget.

BIGGEST MORNING TEA

Join us at the West Arthur CRC for the Biggest Morning Tea fundraiser for cancer research on Thursday May 19 from 10am. Supported by the newly re vamped Darkan CWA there will be a lovely morning tea to enjoy for \$10 and raffles and little activities throughout the morning. Delivery of morning tea down the street like the Arts Council "old days" will be available too. RSVPs appreciated but not essential.

George and Caine Gray leading the children in the Haka at the Darkan ANZAC service.

STATION AND STARS HIKE

Hike along the Collie-Darkan Rail Trail to Bowelling Station. Enjoy soup and stargazing and a talk on how to take great Astro photos. It's on Saturday May 14 with the bus leaving the rear of the West Arthur CRC at 3.30 pm. RSVP's by May 10 essential to the CRC on 9736 2000 or email to westarthur@crc.net.au. All free thanks to the Department of Local Government, Sport and Cultural Industries.

DRAWING WORKSHOP

Come and learn how to draw with Jane Campbell. The next workshop is on Thursday May 12th in the Activity Room at the West Arthur CRC. Entrance from the rear carpark. Enjoy a port and see if it helps your creativity! Workshop free, but you must supply your own materials. Contact the CRC with any queries on 9736 2000.

FREE RATS AVAILABLE IN DARKAN

Free packs of five Rapid Antigen Tests are available to pick up from the CRC provided by the State Government. One lot per household. Free masks also available.

FIRST AID COURSE

The West Arthur CRC will host a St John Ambulance "Provide First Aid" course on Thursday June 9. The cost is \$160 per person. All bookings done online—search St John WA website and follow your nose and go from there...

TRAINEESHIPS ON OFFER

The West Arthur CRC is offering a Business Traineeship. If you are interested in more information about how a traineeship works contact Karen at the CRC on 9736 2000.

COVID CERTIFICATES MADE CARD SIZE

The CRC can make your COVID Vaccination Certificate easier to carry around by turning it into a business card size and also putting your driver's license on the other side (optional) for easier ID. The cost is \$10 per card.

NO PAIN, NO GAIN?

When I think back to my younger years of intense physical activity, I can still hear the piercing scream of my gruff footy coach ... "push through the pain barrier" and my favoUrte "get some bloody mongrel in you!!" To push through those gruelling pre-season training sessions of hill sprints, gut runs, and burpees, you needed some encouragement. Let's face it, when you feel like your lungs are about to explode and a spew is only minutes away, both your mind and body is telling you one thing... stop!

I think a lot of us would agree that motivational quotes can help us get through some challenging times in our life that cause pain, in a physical, mental, or social/spiritual context. To grow stronger in a physical or mental context, suffering is sometimes the price we pay to gain something we want. There is often the common belief that greater value and reward exists for those who put in the effort, work hard, and endure some pain... let's face it life was never meant to be easy.

Pain is a word we regularly use at RMHI and we often come across people with various levels of physical pain and/or emotional pain (brought on by various situational distressors). While pain is uncomfortable and unpleasant, it is usually there to tell us something is wrong. Ironically, the initial stages of pain protect us from further injury by initiating a reaction to protect what has been damaged. Pain can go from being a small nuisance which makes us irritable, all the way to full on, debilitating or chronic pain. This persistent or chronic pain can even involve the pain system becoming overprotective resulting in pain sensations being present even when the body tissues are safe or our injury/illness has healed. Pain is different for everyone but here are some basic tips we should all use to manage it:

- **Getting a correct diagnosis in a timely manner:** Booking in with a GP (to get a referral), physio, or psychologist (when it comes to emotional pain) can help pinpoint the cause of our pain.
- **Keeping active:** This is a tough one because when we are in pain it can sometimes be hard to get moving. Adapted exercise and movements can be prescribed by a physio; just getting outdoors boosts endorphins which can improve mood and block pain signals.
- **Pain medication:** Some of us can be hesitant to take stronger pain relief because it can affect our ability to function normally and operate heavy machinery. But medication can be the key to reducing inflammation and pain which helps us to get moving and regain our function quicker.
- **Assess our diet:** Certain foods and excessive alcohol use can contribute to inflammation and weight gain, especially when we are not moving as much as we normally would.
- **Alternative treatments and relaxation:** Things like massage, acupuncture, meditation, listening to music and even the use of ice and heat can be a good starting point. Finding ways to relax is vital.

While I have always been one for getting out, enjoying life, and taking a few risks, I now understand those words of warning from mentors in my life... "you're going to regret that one day!" So, take care of those aches and pains because trying to push through the pain barrier will not necessarily help in the long run.

About Australia's Biggest Morning Tea.

Cancer Council WA is encouraging the Wheatbelt community to gather their friends, family or workmates, in-person or virtually, for a cup of tea and a bite to eat whilst raising money to support Australia's Biggest Morning tea to help those affected by cancer.

This year Cancer Council is hoping to raise more than \$1 million to continue its life-saving cancer research, prevention, advocacy and support programs. For 29 years, Cancer Council's Australia's Biggest Morning Tea has brought together millions of Australians over a cup of tea in support of those affected by cancer.

It doesn't need to be fancy. Your Biggest Morning Tea could be at home with friends or family, a simple morning tea in the office with workmates, a virtual get-together, or a gathering in the local community or at school.

Simply register online at biggestmorningtea.com.au, set a date in May or June and start sending out your invites. Every dollar raised helps support those impacted by cancer.

Australia's Biggest Morning Tea is the largest and most successful event of its kind in the country and attracts over 4,200 hosts each year. Due to current circumstances, Cancer Council encourages all to follow the recommended guidelines provided by the Australian Government. Details regarding Cancer Council fundraising events may change as circumstances change. For more information and support regarding cancer and COVID-19, please visit wa.gov.au/government/covid-19-coronavirus.

Anyone unable to host a morning tea can still get involved by donating directly to Cancer Council via biggestmorningtea.com.au.

FREE online Life Now courses - Available Now

People living with cancer in the Wheatbelt will be able to access free online yoga, mindfulness and tai chi courses, with the commencement of Cancer Council WA's Life Now Term 2 timetable in May 2022. The Life Now Program's introductory style courses are specifically designed for cancer patients and their carers, offering participants the chance to learn techniques to support their physical and mental wellbeing during treatment and recovery.

We know through numerous studies that there are a range of benefits from participating in mindfulness, yoga and tai chi, including reducing anxiety, stress and fatigue. Thanks to generous community donations, the Life Now Program offers free evidence-based exercise and meditative courses to support West Australian cancer patients and their carers.

Please see the Term 2 timetable for all course dates, times and locations:

FOOTBALL DYNASTIES

Des Thompson

The passing of Eric Riseborough in Albany recently closes the door on one of the most successful football families in Wagin history.

Brothers Murray, Phil and Harry, together with their cousins Eric and Clive, commenced their football careers immediately after war's end in 1945 when the first Wagin Colts team was formed by Jim Davidson Snr, Soldier Calder, Harry Davies Snr, Mus Hosking and Ernie Hill.

While all were still school boys, the eldest four soon graduated to the newly formed Rovers Football Club.

Murray, Phil and Harry were all naturally gifted footballers and were soon snapped up by the talent scouts in the W.A.F.L. Murray went to Subiaco, Phil and Harry both went to South Fremantle.

Phil was an outstanding talent. A brilliant football brain, he knew and understood every facet of the game. A natural left footer and nearly as good on his right foot, to this day I have never seen anyone with a more accurate stab pass or long dropkick. Phil captained the Rovers Football team and the Wagin carnival team when only 20 years of age.

The five Riseboroughs were all members of the successful carnival teams in 1954 and 1955. As far as I can ascertain, there are only four surviving members of those carnivals; Clyde Douglas, Bob Stephens, Des Thompson and John Haymes.

The Wagin Bowling Club held their awards night last Saturday the 30th of April. The evening started with drinks followed by a lovely dinner selection prepared by Wes Gliddon. Then the awards were presented for the Championship games held over the bowls season.

In the Ladies' the Singles winner was Jenny Ewen and runner up was Leanne Cook. Consistency Singles winner was Karynne Robinson. The Pairs winners were Leanne Cook and Kerry Walker. Triples winners were Coral Davies, Kerry Walker and Ronnie Ball. The Fours were Jenny Ewen, Coral Davies, Ronnie Ball and Winnie Hicks.

There was one Mixed Championship game held and that was Pairs. The winners were Jenny Ewen and Blake Riches.

The Mens' winner for Singles was Warren Holt and runner up Scott Davidson. The Plate winner was Ross Old. The Pairs winners were Kim Davidson and John Barber. Triples were Ross Old, Craig Svendsen and Dean Beggs. The Fours winners were Warren Holt, Ross Old, Lloyd Keefe and Reino Cutforth.

A big thank you goes out to all the sponsors over the season for their generosity.

Just a reminder, the Annual General Meeting that was adjourned from the 24th of April will now be held on Sunday the 15th of May at 9 o'clock at the Wagin Bowling Club. We would like all members to attend.

WAGIN FOOTBALL CLUB

WAGIN FOOTBALL CLUB B GRADE

Sandra Moffatt

After comprehensive wins over Brookton-Pingelly by the D & C Grade teams, the baton was handed over to B Grade to try and continue the winning streak.

The B Grade team are ably coached this year by Blake Davies who has stepped up from the role of Team Manager. Davies, full time meteorologist and part time Elders employee, has taken the role on with vigour and put in some solid recruitment over the off-season.

The B Grade team already has a strong foundation with long term contributors in players such as Stuart Johansson, Wade Longmuir, Mitchell Adams, Terry Anthony, Bert Williams, Shaun Garlett Snr and Dale Painter. However, Davies recruitment drive has ideally ensured reliable numbers for the team throughout the season.

Some of this recruitment comes from drinking Export round the back table at Davies house. Meanwhile one of the prize signings has been the return of Daely Robinson to football this season.

Robinson fired from the first bounce providing strength and solid skills across the ground. He displayed a toughness not seen since Leigh Matthews broke a point post at Windy Hill in 1982. Even Coach Davies was a little bit intimidated last heard offering to polish his boots and wash his uniform for next week.

A number of C grade players stepped up and played for the B grade team and impressed greatly. Shaun Garlett Jnr provides great run with polished skills. The speed and agility Shauny Boy displays will see him one day run the ball from Uncle Bert at fullback to his Dad Shaun Snr at full forward in record time. Logan Finlayson is testament to a solid training ethos and perfecting the basics. He has clearly been working on his kicking and now executes a textbook perfect drop punt which he efficiently executes consistently. Another Robinson has returned to the Bulldogs this year with Liam providing quality marks across the ground.

Mitchell Adams makes a regular appearance in the team's best and this game was no exception. The little Frog utilises his shearing fitness and runs and runs and runs and it's believed he has no idea that an interchange bench even exists as he's never sat on one.

Wade Longmuir also featured amongst the best on ground and played a pivotal role in the ruck. Most of the team's positive talk on ground comes from Longmuir which sets a great example for the D Grade team he coaches.

Reward for efforts at training was also evidenced by Clay Simpson-Smith and Henry Vaughan. Simpson-Smith was new to Aussie Rules last year and through a consistent approach to training has built fitness and has eliminated some of his "rugby-isms" from his game. He is now a force to be reckoned with on field. Vaughan is a new recruit and a popular addition to the team and was rewarded with his first goal on the weekend.

Coach Davies also commended the efforts of Tim Abbott providing some run and Rob Hall and Connor Watkins providing constant pressure down the back.

All these promising signs though for a good season did not quite come together for the weekend's game. The majority of the game was tightly contested, but a few lapses in intensity from the Bulldogs allowed Brookton-Pingelly to monopolise and score a number of unanswered goals.

The final score was 13.7.85 – 4.2.26 in Brookton-Pingelly's favour.

Wagin goal scorers were Dale Painter, Henry Vaughan, Liam Robinson and Dylan Coghlan.

Next week they face Boddington, in Boddington, who have come off a loss to Kukerin-Dumbleyung. There may be a few more names up for selection including Grant McGuffie who has thrown his hat in the ring.

WAGIN FOOTBALL CLUB D GRADE

Sandra Moffatt

Whilst the coaching stylings of Justin Longmuir have helped the Freo Dockers start their season impressively, 250km down the road another Longmuir is also coaching a team of champions.

Wade Longmuir answered the call to be the Wagin Football Club D Grade coach for 2022. He follows on from Kim Enright who led the team to finals for the last two years. Enright has now moved on to coach the bigger and hairier C grade team.

The D Grade line up has many a new face this year. Fortunately, the pathway for junior football has strengthened in Wagin town as the last few years have seen Wagin enter a couple of teams in an under 12 comp in Katanning. Anthony Rowell has been the driving force behind this and it is working wonders for the kids as they now progress from Auskick through to D Grade via the Under 12 comp. It's a little less scary for players and parents alike having this pathway in place as they experience a bit more biff in Katanning preparing them for the pace of D Grade.

The team this year has the elder statesmen in Jax Moffatt, Devon Barlow and Noah Mouritz and experienced D grade players in Douglas Banks, Hunter Finlayson, Zane Baxter, Chad Howell, Sam Nalder and Hudson English. These players are now joined by a group of enthusiastic and confident new players who have slotted in beautifully to the team showing commitment for training.

Today's game was against Brookton-Pingelly. Matera Oval looked absolutely magnificent on what ended up being quite a warm day with no wind at all. As 9:30am approached, the sound of new boots and nervous excitement emerged from the changerooms as the team ran out. They were a picture of professionalism in their new jumpers.

The first minute of the game was a to and fro affair in the centre and after that Wagin's silky skills reigned supreme. Dougy Banks ducked, weaved, showed them the candy and every other trick that would be on a Rioli family highlights reel. Zane Baxter's blonde mullet was airborne for most of the match as his pace on the wings could not be matched. Hudson English should be known as Wombat with the way he burrows in and under every pack and breaking out of the pack more times than not. The presence of Devon Barlow made it look like a league player got lost and accidentally entered the field during the junior game. Meanwhile Jax Moffatt relished in the switch from fullback to full forward and kicked 5 goals early.

With the Wagin team off to a solid start with contributors all over the ground, it was only right to even the game out. Some of Wagin's more senior players pulled on a Brookton-Pingelly guernsey and helped make it a closer contest. The sportsmanship of the Wagin team was evident throughout the game.

There were some absolutely wonderful passages of play highlighted by clean hands with precision handballs setting up some good goals. Maturity amongst the players showed with minimal random long bombs forward with players actually looking for best options further up the field.

The mighty Wagin team ended up winning the game 12.6.78 defeating Brookton-Pingelly 1.0.6. They now sit top of the ladder with a whopping percentage of 1300.0.

Wagin's Best Players were awarded to Hudson English, Douglas Banks, Devon Barlow, Darby Ball, Zane Baxter and Hunter Finlayson.

Goals: Jax Moffatt 5, Isaiah Winiata, Chad Howell, Darby Ball, Warren Boyce, Evan Robinson, Bert Williams, Flynn Robinson.

Good luck to the boys as they face Boddington next Saturday who are fresh off a win against Kukerin-Dumbleyung. Thanks to Dale Painter and Stuart Johansson who umpired the game.

WAGIN GOLF CLUB***Marilyn Brockway***

On Saturday the 23rd of April golfers played a Stableford for the Dom's Deli trophies. A big thank you to Andrew for his continued sponsorship of the Golf Club. The course is getting drier each week and the grass we had is disappearing fast which gives the ball a lot of run, but it also means that for those of us who occasionally don't hit straight it will run further into the bush.

The winner of the day was Marilyn Brockway with 34pts, runner-up was Trevor Patterson with 33pts and third was Garth Nottle with 32pts. Nearest to the pins went to Michael Spooner, Trevor Patterson, Ken Adams and Phil Sprigg. Longest putt on number 7 was Dave Hill and best second on number 15 was Ken Adams.

Saturday the 30th of April was the Patrons' and Life Members' day. The men played a stroke round which was the first qualifying round for the championships. The nett winner was Jamie Miller with 70 nett, runner-up was Ken Adams with 74 nett and the gross winner was Reece Taylor with 84 off the stick.

The winner of the ladies Stableford competition was Jan Painter with 36pts and next best was Marilyn Brockway with 32pts. Nearest to the pins went to Gerard Hegarty, Ken Adams, Jan Painter and Reece Taylor. Best second on number 4 was Jan Painter and the winner of the longest putt on number 13 was Ann Patterson. Great putt Ann.

Coming up in the next two weeks are a par competition on Saturday the 7th of May, sponsored by Galt's Hardware, and a Stableford sponsored by Wagin Meats on Saturday the 14th of May. Please check the noticeboard as open day notices are starting to come in.

WORD QUEST

How many words of four letters or more can you make from the letters shown here? In making a word, each tile may be used once only. Each word must contain the centre letter. No plurals or verb forms ending in 's', or words that are foreign, hyphenated or have an initial capital letter. Challenge yourself to discover the one nine-letter word in the list. Clue: It can be found on page 31.

MOTHER'S DAY RECIPES FOR KIDS

ALL-NATURAL CARAMEL TRUFFLES (7 and under)

Once an adult has blended all the ingredients, the little kids can have fun rolling them into shapes and coating with desiccated coconut (or any other toppings they would like)! This recipe comes from *4 Ingredients MORE Gluten Free Lactose Free* by bestselling Australian author Kim McCosker, a cookbook proudly endorsed by Coeliac Australia.

SERVES: 15 truffles

INGREDIENTS

- ½ cup pine nuts
- 10 Medjool dates, pitted
- ½ teaspoon vanilla extract
- ¼ cup desiccated coconut

METHOD

1. Add pine nuts to a food processor and grind until fine.
2. Add the dates and vanilla and process until the mixture is well combined.
3. Place the coconut onto a flat plate.
4. Roll a teaspoon of mixture into a ball, and then roll in coconut.
5. Continue until all the mixture is rolled.
6. Store in an airtight container in the fridge for up to two weeks.

STRAWBERRY & CREAM TEA SANDWICHES (8-11 years old)

With some adult help to remove the bread crusts and slice the fresh strawberries, the kids can have a blast mixing and decorating some gorgeous sandwiches for mum. This recipe comes from *Cook 4 a Cure*. 4 Ingredients donates \$4 from every sale to the National Breast Cancer Foundation and has proudly raised and donated \$402,650 so far.

SERVES: 6

INGREDIENTS

- ½ cup cream cheese, softened
- ¼ cup organic strawberry jam
- 12 strawberries, washed, hulled and finely sliced
- 12 slices high fibre (low GI) white bread, crusts removed

METHOD

1. In a small bowl, mix the cream cheese and jam together until well combined.
2. Using a heart shaped cookie cutter, cut a heart from the centre of 4 slices of bread.
3. Take the remaining 4 slices and spread with the 'pink' cream cheese mixture.
4. Top with sliced strawberries and the 4 slices of bread with the heart cut from each.

MOTHER'S DAY RIDDLES

1. A mother gave birth to twin boys, but they were born in different years and on different days. And no, they are not part of two sets. How is this possible?
2. What did the digital clock say to its mother?

WAGIN WOOL PRESS CONTRIBUTIONS

The Wagin CRC is trying hard to keep the Wagin Wool Press running as we believe it to be an important means of connection for our community. However, to be successful, we need the community to help. We love it when individuals and community groups contribute stories and photos, poetry and recipes, or anything else that will keep our community informed and engaged.

All contributions can be sent to the Wagin Wool Press email: news@wagincrc.net.au or may be handed in to staff at the Wagin Community Resource Centre. For any queries, comments, or complaints, please contact us at the Wagin CRC on 9861 1644.
