CHLOE BLIGHT REPRESENTS WA AGRICULTURE

Paul Powell, President of Wagin Agricultural Society

Wagin Woolorama's 2023 WA Rural Ambassador entrant Chloe Blight achieved the honour of being awarded Runner Up at the recent WA Rural Ambassador Awards Dinner, held at the WA Royal Show Members' Lounge on Sunday evening the 24th of September.

The WA Rural Ambassador Award is part of the Rural Leaders Program, coordinated by the Royal Agricultural Society of WA to provide opportunities for those living and working in regional WA and to support young people interested in pursuing a career in agriculture.

Chloe was one of five entrants for this prestigious award. The other four entrants were represented from Swan View and Districts Ag. and Arts Society, Chapman Valley Ag. Society, Brunswick Ag. Society, and Toodyay Ag. Society.

The winner, Lauren Patane, represented the Brunswick Ag. Society. Five very talented and inspiring young women, each worthy of the coveted blue sash.

Chloe's earliest memories of her local Agricultural Show would be of her grandfather, Geoffrey Blight, known for his contributions to the local and wider agricultural community. He was known

for travelling around with various animals and having a petting area at the agricultural shows around the area. This allowed the city kids to be able to see and pat pet lambs and numerous other animals they otherwise wouldn't have seen. Chloe also remembers competing in the Horses in Action section with her sister and being so excited to win a ribbon at the event.

Chloe's contribution as a Rural Ambassador has seen her involved in programs to develop skills, including the CBH Grass Roots Leadership program and the National Mentoring Program with the Australian Rural Leadership Foundation.

We can be justifiably proud and encouraged that we have such talented young people involved in the agricultural industry going forward. Congratulations, Chloe Blight.

Kath Powell, Chloe Blight and Paul Powell.

RED GRANTS SUPPORT INDUSTRY & JOBS IN GREAT SOUTHERN

Kelly Brady, Office of Agricultural Region MLC Shelley Payne

Four Great Southern projects will share in \$470,000 funding under Round 6 of the Cook Government's Regional Economic Development (RED) Grants program.

The RED Grants program is investing \$50.85 million over nine years toward locally driven projects to stimulate economic growth and build resilience in the regions.

"Round six of our RED Grants program will support local businesses focused on job creation and industry expansion in the Great Southern", said Regional Development Hon Minister Don Punch MLA.

"Healthcare, childcare and manufacturing are key priorities for development in the Great Southern – and together the successful recipients will help give these sectors a boost.

"These initiatives reflect the Cook Government's commitment to driving diversified employment opportunities and supporting the people behind local businesses in our regions."

Successful projects in round six will diversify and support expansion of four businesses in the Great Southern, including Gracefield Enterprises who has received \$110,000 to upgrade the Katanning Veterinary Clinic into the only purpose-built 24/7 Veterinary Hospital in the Upper Great Southern region.

The RED Grant will be used to purchase specialised medical equipment, high quality veterinary animal housing and emergency and critical care equipment.

The Ocean Beach Health Group will use its \$150,000 grant for the development of a five room, multi-disciplinary, allied health centre in Denmark, to provide a shared care model of health care.

The project will create sustainable jobs and expand the range of allied health options not currently available in the area.

Albany-based Village Childcare Services has been awarded \$140,000 to establish a long day care centre in Albany and expand existing outside school hours and vacation care.

The funding will provide an additional 68 childcare placements from 0 to 12 years.

A \$70,000 grant will fund the expansion of Cannabis Botanical Distillery’s manufacturing facility in Denmark, increasing their manufacturing capacity from 3,500 to 35,000 litres per annum.

Comments attributed to Agricultural Region MLC Shelley Payne

“The RED Grants continue to stimulate and support economic growth across regional Western Australia”, commented Agricultural Region MLC Shelley Payne.

“This latest round of announcements for the Great Southern is great news for the region.”

Hi to all our Wagin Library & Gallery patrons and friends. We have plenty of books for sale at 50 cents for each item. We are looking forward to seeing you all soon.

Children's Week is on the 21st to 29th of October. A national celebration of children's rights to relax, play and take part in activities they enjoy. Children can enjoy the week by doing activities both inside and outside. You could have a teddy bears picnic and read your teddy a story. Make mum or dad some mud pies. Have a morning of singing nursery rhymes, listening to a story and then playing, or colour in a picture to send to your grandparents.

The 64th Albany Summer School is from the 8th to 19th of January 2024. Courses will run from Monday to Friday unless stated otherwise. All courses will be held at Great Southern Grammar (school) in Albany. Enrolments commenced on Tuesday the 26th of September 2023. Would you like to do a morning course, a full day course or an afternoon course? For more information pick up a pamphlet at Wagin Library & Gallery.

PROGRAMS AND EVENTS

Wagin Library & Gallery has once again joined in the **Scribbler's Festival**. We are running the golden feather hunt, with a variety of feather bookmarks for children aged 0-5 years of age. They will have the opportunity to win a variety of prizes and fuel their love of reading and libraries. Visit us at the library **until the 27th of October** to join in the feather hunt. You must be a

member of the Wagin Library & Gallery to take part. For more information about the Scribbler's Festival visit scribblersfestival.com.au.

We are having a **book stall** at the Wagin Lodge Markets. All contributions of books are welcome. They can be left at the Library or brought to the stall on **Market day: Saturday the 28th of October**. Proceeds will be used in the new library space.

Story Time is for ages 0 to 5 and runs every Wednesday from 10am to 11am then again on Fridays from 1.30pm to 2.30pm. When we finish the story, we sing along to nursery rhymes.

Book Club for children is on every Tuesday from 3.30pm to 4.30pm and is for children aged from Pre-primary to Year 7. You can be reading any book such as one from school or home.

Book Club will be held on Saturday the 11th of November from 2pm to 4pm. Have you read a book about sport? You can be reading any book. New members are always welcome.

FRIENDS OF THE WAGIN LIBRARY & GALLERY

Jessica Hamersley

Well, time is moving on... and closer to moving the Wagin Library & Gallery to the Old Courthouse! Come along to our next meeting, at Cresswells from 2.30pm on Thursday the 26th of October, with lots of ideas on how we can assist the Library staff to make it the best little library in WA.

We will be discussing our new banking arrangements, the market stall we are having at the Wagin Markets at the Masonic Lodge on Saturday the 28th of October and any other ideas that arise.

If you can't make the meeting but have any books suitable for the stall, please drop them at the Library or at the market stall. Funds generated will be used to enhance the library experience for all users.

BOOK RECOMMENDATIONS

Origins of Halloween: the tradition originated with the ancient Celtic festival of Samhain when people would light bonfires and wear costumes to ward off ghosts. This information was provided by history.com. Over time, Halloween evolved into a day of activities like trick-or-treating, donning costumes and eating treats. Some people even visit haunting attractions. Another way to celebrate Halloween is to watch scary movies or read scary books. Halloween is on the 31st of October every year. We have a few scary items in our library if you are brave enough to read or watch.

📖 **How to Sell a Haunted House** by **Grady Hendrix**. This is a horror fiction book. A woman returns home to bury her parents, only to find a spectacularly terrifying blast from the past waiting for her. The woman does not want to deal with the family home. Her mother had a lifelong obsession with puppets and dolls. Some houses do not want to be sold.

📖 **Dead Ever After** by **Charlaine Harris**. This is a large print book which contains horror, crime, and fantasy. When a shocking murder rocks the town of Bon Temps, Louisiana, psychic cocktail waitress Sookie Stackhouse learns that she has more than one enemy waiting to get vengeance for the past. Who will be dead ever after?

📖 **The Stand** by **Stephen King**. This is a crossover of epic fantasy, horror and dystopia. This is an adult fiction book. First came the days of the plague. Then came the dreams, dark dreams, that warned of the coming of the dark man. The warlord of the charnel house and prince of evil. His empire grows in the west and the apocalypse looms.

📖 **Room on the Broom** by **Julia Donaldson**. This is a children's board picture book. It is a good book to read at Halloween even though it's not really a Halloween book. It teaches a great lesson about helping each other in all kinds of situations.

📖 **Pumpkin Party!** By **Maudie Powell-Tuck**. This is a children's board picture book. Pumpkins ready. Pumpkins set. Bob for apples, don't get wet! This happy rhyme is a perfect Halloween treat.

GIRLS AND STEM CAREERS

The West Arthur CRC recently saw a group of about 25 young ladies and their mums attend the Girls and Stem Careers. The idea of the event was to encourage young people to start thinking about their careers, especially in the STEM (Science, Technology, Engineering and Mathematics) industry. To start the night off everyone was encouraged to create a mocktail to enjoy and some lovely finger foods before the speakers took to the stage.

The speakers on the night talked about a range of STEM careers, from agriculture and soil science to medical fields such as Physiotherapy, nursing and research, then from accounting to engineering such as mechanics. One point of these careers is that not everyone has to go to University to get into these areas, many of our speakers suggested other ways that STEM careers can be reached. Be it from attending University full time or

remotely through distance learning, going to TAFE completing courses or through an apprenticeship/traineeship. There was encouragement to go for their desired career and to not be afraid of breaking stereotypes like the male dominated careers. A great night was had by all and the West Arthur CRC would like to acknowledge Inspiring WA STEM, the Department of Jobs, Tourism, Science and Innovation and SciTech for the grant to make this event possible.

WAX Finale Exhibition

On **Friday the 3rd of November** the CRC will host the finale event that showcases pieces from our WAX Wearable Art Workshops throughout 2023. Come along from **5pm to 7.30pm** for complementary wine and cheese. More details to follow.

CHRISTMAS CARD MAKING

The West Arthur CRC will be holding a class to create your own handmade Christmas cards. Come along on **Monday the 20th of November at 10am** to make four beautiful Christmas cards. Cost is \$10. Please RSVP by the 15th of November to the West Arthur CRC.

We are currently preparing our community directory for 2024, so if you need any changes made or would like to add your contact details please give the West Arthur CRC a call or email us.

DUMB MONEY is the underdog story of everyday people who "flipped the script on Wall Street and got rich by turning GameStop (the American video game store and owner of Australia's EB Games) into the world's hottest company". Based on the real event in 2021 and book *The Antisocial Network* by Ben Mezrich. Director Craig Gillespie (*Cruella*; *I, Tonya*) presents a rousing and humorous take on events. Starring Paul Dano, Pete Davidson and Seth Rogen.

DON'T BE TAKEN FOR A RIDE BUYING A USED CAR

There's a lot to consider when buying a used car, such as your budget and what type of vehicle will suit your needs, but of utmost importance is ensuring you don't drive away with a lemon.

We recently issued a warning [QR code] against licensed car dealer Ventura Autos, after receiving 136 complaints about the selling of unroadworthy vehicles, in breach of the Australian Consumer Law.

During their compliance inspections of the Welshpool business, our automotive officers issued 43 defect notices on vehicles being sold for issues such as non-compliant tyres, windscreens, oil leaks and seatbelts.

When purchasing a vehicle, consumers rightly expect they will receive a car without any significant problems. That's why we have released an easy-to-follow used car buyer's checklist in partnership with the Motor Trade Association of WA.

The checklist empowers buyers to know what to look out for when shopping around for a second-hand car and gives them the best chance at driving away with a safe and reliable vehicle.

At the top of the checklist is a \$2 Personal Property Securities Register (or PPSR) check at ppsr.gov.au using the VIN number found in the owner's manual to see if the car is free from debt, stolen or written-off. There's also advice to have the vehicle checked by an independent mechanic and inspect its logbook for signs of regular servicing, any ongoing repairs and odometer readings.

In WA, 70 per cent of used car buyers buy via private sale, but these purchases often don't have the same protections as those vehicles bought from a dealer, which may offer some warranty protection depending on the age and mileage of the vehicle.

Private sales can also be a target for scammers, who offer non-existent cars for sale on online marketplaces, websites and social media platforms. In the past three years, Consumer Protection has heard from 259 consumers who were scammed while trying to buy a car online, including 88 who lost over \$660,000.

This is why it's vital for buyers to be vigilant when shopping online and not hand over their cash before seeing the vehicle in-person and doing a series of checks.

If you're on the hunt for a used car, consider downloading the new checklist now available on our website to avoid being taken for a ride. [Use the QR code to download the checklist, for instructions on completing it, and for more advice on cars, boats and motorbikes.]

Don't be taken for a ride – used car buyer's checklist

Car 1	Make	Model
	Seller name	VIN#*
	Phone number	Address
Car 2	Make	Model
	Seller name	VIN#*
	Phone number	Address

*Vehicle Identification Number (VIN#) location can be found in the owners' handbook

IMPORTANT: Australian Consumer Law protections only apply when buying a car through a licensed dealer, not through private sale. This checklist will help you with the basics in buying a car. Please visit dmirs.wa.gov.au/buyingacar to learn more.

Pre-purchase	Car 1	Car 2
Perform a \$2 Personal Property and Securities Register (PPSR) search at ppsr.gov.au to check if the car is stolen, has finance owing, is registered or written-off. Cars 15 years or older will not have accurate results.	<input type="checkbox"/>	<input type="checkbox"/>
Check vehicle rego and account lookup at transport.wa.gov.au/dotdirect for outstanding payments or fines using the car's registration number. Outstanding fines or payments could delay the registration transfer.	<input type="checkbox"/>	<input type="checkbox"/>
Check the service history logbook to see if the car has been regularly serviced, if there are any ongoing repairs and compare the odometer from the services against the car's reading.	<input type="checkbox"/>	<input type="checkbox"/>
Take car for a test drive	Car 1	Car 2
Check tyres for worn or cracked tread and ask whether they are less than 10 years old.	<input type="checkbox"/>	<input type="checkbox"/>

ANTS IN YOUR PLANTS, AND PAVERS?

Example of letter with sample; sampling ants; coastal brown ants (*Pheidole megacephala*).

Want to know what your problem ants are and how to control them? You've come to the right place. There are thousands of ant species in Australia, and most are difficult to identify without a microscope and specialist knowledge. There are very effective baits for some species, while others require control using sprays. Other species rarely need any control and can be left alone. Unless you know the species of ant, control can be guesswork, which can waste your time and money, and involve the unnecessary use of pesticides.

By submitting samples for identification, you can learn about the species of ants at your property and how to control them, plus you'll contribute to ant surveillance in WA. Detections in recent years of exotic and problematic species, such as the African black sugar ant and red imported fire ant, is a testament to the ability of ants to arrive in WA via freight and cargo. Their rapid detection provides the best chance of eradication and prevents the economic, social and environmental impacts caused by these ants.

For ant identification services, we request that only **dead** specimens are submitted. This will prevent any unintended spread of the ants, whilst keeping the postie happy!

Sampling instructions

- Brush ants into a sealed container, Ziplock bag or collect ants using the sticky side of transparent tape and fix this gently to a piece of paper.
- Place sample in the freezer for 1-2 hours to kill any live ants.
- Label samples with the collection location e.g., backyard, kitchen, bathroom, driveway etc., and include a note with your name, address, contact number and email address.
- Deliver or post to: Pest and Disease Information Service (PaDIS), Department of Primary Industries and Regional Development, 3 Baron-Hay Court, South Perth WA 6151.

Any suspected exotic ant species should be reported for biosecurity screening to the Department of Primary Industries and Regional Development.

Further information can be found at agric.wa.gov.au by searching for 'ant control', or by contacting the Pest and Disease Information Service.

GETTING A GOOD NIGHT'S SLEEP

There are times in business when it's all go, whether it's on the farm during seeding and harvest or meeting deadlines at work. It may mean working longer than normal hours and possibly becoming sleep deprived. A lack of sleep not only reduces our ability to perform work effectively, it also reduces our ability to work safely. Some have regarded sleep as a useless waste of time with no purpose – *not true*. Science and medicine are discovering more and more about the role of sleep and its influence on our wellbeing and health.

How much sleep do we really need?

- Infants and toddlers: 9 to 10 hours at night plus day naps;
- School age including teenager: do best with 9 to 11 hours at night;
- Most adults: 7 to 8 hours a night;
- Older adults need the same as younger adults but sleep lighter and for shorter periods.

Some people just need fewer hours of six or less a night without ill effects. The need for less or even more sleep can run in families (suggesting a genetic basis but it is incredibly rare).

What are the effects of lack of sleep? While we're sleeping, our body is busy tending to our physical and mental health and getting us ready for another day. Lack of sleep can lead to:

- Drowsiness and irritability during the day;
- Poor concentration hindering memory and our ability to pay attention;
- Poor physical coordination increasing the risk of accidents;
- High blood pressure which is one of the main risk factors for heart disease;
- Depression.

Regularly sleeping under 5 hours is associated with poor physical/mental health and wellbeing.

Sleep may be more difficult to come by as we age, and this can be traced to treatable health issues that cause interrupted sleep. Some factors that could cause sleep difficulties:

- Sleep disorders like sleep-apnoea, restless leg/arm syndrome, leg cramps;
- Pain from conditions like arthritis, heartburn, back pain, headaches;
- A frequent need to urinate;
- Illness: depression, coughing, shortness of breath;
- Medications.

Some helpful tips for getting a good night's sleep are:

- Go to bed and get up at the same time each day, this synchronizes our body clock;
- Aim for daily exercise before evenings;
- Relax before bed i.e., warm shower, reading and avoid caffeine, nicotine and alcohol;
- Establish your pre-sleep routine (usually 3 things);
- Use bedroom/bed only for sleeping or intimacy, not as a lounge room for watching TV.

Generally, if we can't sleep, we shouldn't lie in bed. Leave the bedroom and do a quiet activity that doesn't stimulate us. To help maintain a healthy lifestyle we all need to contemplate what is an adequate amount of sleep for us personally and visit our GP for treatment if we are amassing a huge sleep debt.

ON THE GREENS

Ross Old

Blake Riches' team of Ross Old, Bob Stephens and lead Anthony Ngauru win the Wagin Mens Lawn Bowlers Championship Fours.

Last Sunday the 15th of October, the Wagin Men Bowlers held the Championship Fours competition. With only three teams competing, a round robin was held. In the first game, Peter Spooner's team of Scott Davidson, Tom McConnell, and lead Robert English defeated Zane Smith's team of Craig Svendsen, Tecle Tesfay, and lead Dean Beggs, 34 shots to Smith's team 3. On the second game, Smith's team was up again against Blake Riches' team and again went down with Blake's team winning 16 shots to Smith's team 11.

The final game between Peter Spooner's team and Blake Riches' team was a close one after 10 ends. The score was 9 shots each. Both lead players in Anthony Ngauru for Blake's team and Robert English for Spooner's team were drawing with great accuracy all day. At the start of the last end, Blake Riches' team was leading by one shot 12 to Peter Spooner's team 11. With Bob Stephens' second bowl holding shot in a position that was difficult to remove, it remained shot at the end. This saw Blake Riches' team winning 13 shots to Peter Spooner's team 11 shots.

A big thank you to club captain Craig Svendsen for running the day, and the bar, and to the sponsors of the day: Gilmac Hay and manager John Barber.

RAM PARK MORNING

Wagin Playgroup

What a lovely morning it was at the Wagin Ram Park on Friday! It was good to see all our wonderful Wagin Playgroup families back after the school holidays. The sun was out and kids enjoyed their morning outdoors in nature. They even spotted a little turtle in the pond.

It is so great to see our child/ren exploring with each other as they have built strong relationships with all their Playgroup peers over the year. We always welcome new members to Wagin Playgroup so please come down and check it out. Tomorrow we will be

showcasing all the wonderful new toys we received from the Lotterywest and PlaygroupWA grant.

The WPG committee are on the lookout for new committee members for 2024, as we have current members moving on. Please come and speak to us if you're interested.

NEW TOYS PLAY MORNING

Wagin Playgroup

Something exciting is happening at Wagin Playgroup.

Thanks to Lotterywest and Playgroup WA, we have recently received a grant to purchase over \$7k worth of new toys.

Join us on Friday the 20th of October to launch this incredible new range of toys, aimed to inspire imagination, creativity and belonging in your little ones.

We are very excited to see you all there.

AN EVENING FOR THE MUMS

Wagin Playgroup

With the year coming to an end, before the business of harvest, join us for dinner at the Wagin Palace – **Friday the 20th of October from 6.30pm.**

Escape the mayhem of bedtime and come and have dinner, a drink and a laugh with all the amazing Wagin Playgroup mums.

Thank you to everyone who has supported Wagin Playgroup this year. It is a wonderful community of families and we can't wait to see what we get up to in 2024.

Let us know or send us a message if you plan on attending, for numbers.

WAGIN AMATEUR SWIMMING CLUB

All current and future members encouraged to attend.

WAGIN TENNIS CLUB

SOCIAL TENNIS

Nicole Kirk

A perfect evening for our first fixtured game of social tennis for Teams 2 and 4 last Wednesday. It was great to see some new players to the teams.

Not in a team but feel like a hit of tennis? Feel free to come down for a social hit if anyone is interested. There may be a free court for use while the teams are playing.

We have full bar facilities and toasties are available to purchase if you're needing a quick bite or would like to join the teams for a social drink. All welcome.
